Duration Notes: 4 days

Delivery Method: Classroom and practical demonstration

## Introduction

A four-day course on instructional techniques.

## Overview in brief

This highly interactive event is designed for anyone who needs to instruct practical skills to small groups or deliver classroom information in an interesting and interactive way.

Upon completion of this, the participant will be able to combine practical and classroom skills and deliver Lantra Awards Courses.

## The finer details

The event will guide participants through all aspects of planning and a training event. They will be able to deliver training sessions with a high level of interaction from their own candidates leaving them motivated and confident on return to the workplace.

The skill of the Trainer is in delivering a session that will appeal to all learning styles and ensures that all learners have a balanced learning experience that is beneficial and enjoyable at the same time.

All course candidates are allowed adequate time to the skills during the course and consolidate what they have learned in a safe environment with positive feedback from the Instructor and their peers.
