## Introduction

This level one shotgun course is available to you if you have little or no previous knowledge of using a shotgun.

## Overview in brief

Designed to provide a mixture of both classroom and practical training, this course will provide knowledge and understanding required to safely handle a shotgun.

## Who should attend?

This course has been designed for those that regularly use a rifle as part of their daily job such as; estate managers, farm owners, shooting syndicates, game keepers, and those who either employ gamekeepers or allow contractors onto their land to shoot.

Learners who require a refresher course, beginners, and novice shooters who would like to hold a recognised qualification are very to complete this course.

## What will be covered?

This course covers:

- Firearms Act
- Legislation and the use of shotguns
- The storage and transportation of shotguns
- The shotgun
- Shotgun cartridges
- Cleaning and maintenance of a shotgun
- Health and safety during use of a shotgun
- Safe handling & use of a shotgun (practical).
