

12C Supervisor Training/Assessment (incl 12C Planning Officer)

At a glance...

NHSS

Recognised by:

National Highways, Transport Scotland, Welsh Assembly and Transport NI on their motorways and high speed dual carriageways road networks

Prerequisites:

To attend the 12C Supervisor course, learners must be registered with Lantra as a NHSS 12C Operative With/Without/With Or Without Hard Shoulders skilled worker category (where both the 12C Operative course and 12C Operative logbook have been completed and registered accordingly) as a minimum, unless they are 12C Planning Officer Non-Supervisors.

Those who are seeking to become 12C Planning Officer Non-Supervisors, can complete this course only if they have a valid TTMBC as a minimum, but if they have only completed TTMBC and 12C Supervisor Training, the 12C Planning Officer Non-Supervisor category is the only skill they can apply for.

Introduction

NHSS 12C Supervisor

The finer details

This one day course will cover:

- Quality assurance and National Highway Sector Schemes
- Training and assessment requirements
- Health and safety legislation
- Reference documentation
