#### Introduction

Becoming proficient in installing gates and stiles is an essential and valued installer's skill for any contract, large or small.

#### Overview in brief

This course will assess your knowledge and practical ability to install gates and stiles safely, protecting both you and those around you.

## The finer details

This assessment course has been developed to assess your knowledge and understanding of gates and stiles installation.

The course duration will depend on the number of Learners requiring assessment and will be from half a day to one day.

The assessment will consist of a multiple choice question paper and practical assessment. Assessment will cover:

T 02476 696 996

E awards@lantra.co.uk

Lantra, Lantra House, Stoneleigh Park, Coventry, Warwickshire, CV8 2LG

- Types of Gate and Stile
- How to Install Gates and Stiles.

# Who should attend?

This course is for you if you need to prove your ability in safely installing gates and stiles or renew your Lantra Skills card.

As you'll appreciate, this course contains some practical activity that will require a minimum level of fitness. If you have any concerns, please speak to the Provider.

## What will be covered?

At the end of this course, you will be able to:

- Describe the purpose and components of various types of gates and stiles
- Describe the materials and installation requirements for gates and stiles
- Select and prepare tools, equipment and resources for gates and stiles
- Demonstrate how to calculate the required materials for gates and stiles;
- Demonstrate how to position and fix posts at specified lines, levels and angles
- Prepare and install gate and stile components to meet specifications
- Position and securely fix gate and stile components at specified lines, levels and heights
- Demonstrate how to inspect, repair and test gates and stiles.
