

# Gantry Crane Training (Skills Card)

## At a glance...

### Assessed Customised Provision

Delivery Method:	Theory and Practical
Recognised by:	Lantra Awards
Prerequisites:	Safe Pass/PPS Number/NI Number

## Introduction

The correct gantry training is essential for anyone operating an overhead gantry crane as overhead gantry cranes can be extremely dangerous if operated incorrectly. By training your team this will reduce or eliminate the risks involved in operating a gantry crane

## Overview in brief

***This Lantra-accredited Customised Award is exclusively developed and delivered by a Lantra-approved Training Provider, who meets our quality standards. The course is specifically tailored to meet learners' needs.
