Coventry, Warwickshire, CV8 2LG

This qualification is designed to give an understanding of the employee's and employer's responsibilities in respect of occupational works supervision in the highway electrical sector. In addition, achievement of this qualification supports Learners registering their application to obtain the appropriate Electrotechnical Certification Scheme (ECS) Highway Electrical Registration Scheme (HERS) Supervisor card.

Who should attend?

The Lantra Awards Level 3 NVQ Diploma in Occupational Work Supervision (Highway Electrical Work) qualification is for individuals skilled at Level 2 or above (subject to their role) with responsibilities to supervise work safely without endangering themselves or others.

What will be covered?

On completion of this qualification, your knowledge, understanding and skills will have been assessed in the following areas:

- your knowledge and understanding of occupational work supervision
- your ability to effectively supervise work in their chosen occupational work area.

Other areas of interest

603/1948/3 - Lantra Awards Level 2 NVQ Certificate in Highway Electrical Systems

603/1949/5 - Lantra Awards Level 2 NVQ Diploma in Highway Electrical Systems

603/1866/1 - Lantra Awards Level 3 NVQ Diploma in Servicing Highway Electrical Systems

603/1822/3 - Lantra Awards Level 3 NVQ Diploma in Servicing and Commissioning Highway Electrical Systems

These qualifications aim to give Learners the opportunity to develop their skills and demonstrate competence across the full range of activities that highway electrical systems operatives require as part of their everyday work.
