Introduction

The Rural Event Training course has been designed to assist organisers of rural shows to run their events in a safe and professional manner.

Overview in brief

The course is split into 6 on-line modules delivered by webinar and e-learning. They can be studied at the learners' own pace at a time convenient for them. Learners may complete a quiz attached to each module to test their knowledge and a certificate will be achieved by passing the quizzes for the mandatory modules.

The finer details

Users may access the modules as many times as they wish to reinforce their learning and make sure the quizzes are passed successfully.

All modules contain references to further resources which are important for users to expand their knowledge.
