Introduction

This programme is designed for new or aspiring supervisors or managers requiring a basic working knowledge of working as a transport manager in a haulage or bus operation.

Overview in brief

This course has been designed to benefit those seeking a "Fast Track" initial training in transport management, as a refresher for existing transport managers, or those returning to transport management in Ireland.

This course is suitable for own goods operators, those transporting goods for hire and reward and bus operators based in Ireland.

This course plays an important role in the maintenance of skills and continuous professional development (CPD) of anyone working or intending to work as a transport manager in Ireland.

The finer details

The programme is divided into a number of sessions during the two-day course.

Who should attend?

Any person or manager working or intending to work in the transport industry who requires a working knowledge of the roles and responsibilities of a transport manager in Ireland
