

# Asbestos Awareness (ROI)

## At a glance...

### Assessed Customised Provision

Delivery Method: Classroom  
Recognised by: Lantra Awards

## Introduction

This programme is designed give employees an knowledge of the dangers of asbestos in the workplace or any other place they might encounter the presence of asbestos containing materials (ACM's).

## Overview in brief

The Safety, Health and Welfare at Work Act, 2005 (No. 10 of 2005) imposes specific duties on employers to provide adequate information, instruction, training and supervision to their employees.

The Asbestos Regulations require employers to provide appropriate training and adequate information (Regulation 17) to employees who are liable to be exposed to asbestos-containing dust. The regulations specify particular information that must be covered during training.

## The finer details

The programme is divided into 6 sessions delivered in a half day, it is an awareness training course for operatives and managers.
