

# Asbestos Awareness (ROI)

## At a glance...

### Assessed Customised Provision

Delivery Method:	Classroom
Recognised by:	Lantra Awards

## Introduction

This programme is designed give employees an knowledge of the dangers of asbestos in the workplace or any other place they might encounter the presence of asbestos containing materials (ACM's).

## Overview in brief

***This Lantra-accredited Customised Award is exclusively developed and delivered by a Lantra-approved Training Provider, who meets our quality standards. The course is specifically tailored to meet learners' needs. For further details about the course content and delivery locations, please contact the Training Provider using the details provided below.***

The minimum age to undertake this course is 18.

The Safety, Health and Welfare at Work Act, 2005 (No. 10 of 2005) imposes specific duties on employers to provide adequate information, instruction, training and supervision to their employees.

The Asbestos Regulations require employers to provide appropriate training and adequate information (Regulation 17) to employees who are liable to be exposed to asbestos-containing dust. The regulations specify particular information that must be covered during training.
