Introduction

This programme is designed for new or aspiring supervisors or managers requiring a basic working knowledge of the Safety, Health and Welfare at Work Act 2005 (ROI).

Overview in brief

This is a standalone foundation level awareness course for people who need to have awareness of the Safety, Health and Welfare at Work Act 2005 (ROI) as it applies in the workplace.

This course is also a pre-requisite for attending the following Lantra approved courses,

- Project Supervisor Construction Stage (PSCS),
- Project Supervisor Design Process (PSDP)
- Temporary Works Coordinator (TWC)

The finer details

The programme is divided into 14 sessions delivered in one day, it is a foundation level course which can be used as a pre-requisite to more specialised further training.
