At a glance...

Assessed Customised Provision

Delivery Method:	Practical observation and assessment
Recognised by:	Lantra Awards, NACFT – National Association of Cattle Foot Trimmers, Milk Buyers, Map of Ag, all relevant bodies to be a high standard
Prerequisites:	Professional Foot Trimming – 4 day course

Introduction

This is the assessment to enable a cattle foot trimmer to obtain the Assessment in Cattle Foot Trimming.

Overview in brief

This Lantra-accredited Customised Award is exclusively developed and delivered by a Lantra-approved Training Provider, who meets our quality standards. The course is specifically tailored to meet learners' needs. For further details about the course content and delivery locations, please contact the Training Provider using the details provided below.

The minimum age to undertake this course is 16.

The assessment is recognised by the NACFT, Map of Ag and all relevant bodies to be of a high standard and allows the trimmer to be registered with the NACFT and accredited as external trimmers with Map of Agri, Milk Buyers and Farm Assurance.

The finer details

The Assessment has 2 parts:

THEORY: Candidates complete Multiple Choice Questions on cattle foot trimming and hoof care.**PRACTICAL:** Candidates have their trimming skills assessed whilst they trim live cows. Their skill and outcome are evaluated.

Who should attend?

The assessment is for those wishing to undertake all on farm trimming and be recognised by relevant bodies, NACFT, Map of Agri, Milk Buyers and Farm Assurance. Trimmers who have undergone the foundational training of the Professional Foot Trimming course and CPD Check days.

What will be covered?

Assess Foot Trimming knowledge of candidate

Assess Practical Foot Trimming Skills
