Introduction

This programme is designed for those persons needing to carry out the role of Temporary Works Supervisor as outlined in BS 5975.

Overview in brief

This programme is designed to provide those wishing to fulfil the role of Temporary Works Supervisor with the necessary skills and knowledge as two stages of their competence requirements.

The finer details

The programme is divided into 8 sessions delivered in one day; it covers all the requirements as outlined in BS 5975, concentrating specifically on the role and duties of the Temporary Works Supervisor, but also covering the overall management of temporary works, particularly at the stage of implementation.

Who should attend?

Any person 18 or over, working in the construction industry, it is recommended they have at least 3 years experience in a supervisory capacity.

What will be covered?

- Carry out the role of the temporary works supervisor
- Know the roles and responsibilities of others
- Understand the need to manage temporary works
- Be familiar with BS 5975 Code of Practice

Cooperate with the temporary works coordinator

Check, inspect and supervise temporary works

Know when to stop the works

Explain the 4Cs': Competence, Control, Communication, Cooperation
