**Date: 31<sup>st</sup> August 2024**

Lantra would like to notify you that a FISS Committee decision has been made to remove the Gate Safe Awareness option from FISS/CSCS cards.

We have updated the FISS/CSCS application form and FISS/CSCS Partnercard Scheme Information Booklet to reflect this change and have attached the new editions to this update.

Please distribute this updated information for any FISS enquiries going forward and if you do have any questions in relation to this change, please contact us.
